SARGENT, Pres't & Gen'l Mgr., Prescott, Ariz. R. E. WELLS, Assistant General Manager, Prescott, Arizona.

CHALCEDONY LODGE NO. 6, F. & A. M., Holbrook, Arizona. Regular stated communications at 7:30 p. m. on Fourth Saturday of each month. Visiting brethren invited. By order of R. C. KINDER, W. M. J. H. BOWMAN, Secretary.

CARPENTER SHOP—North side of R. R. track, east of the shop of Wm. Armbruster. All kinds of carpenter work at short notice. Repairing a specialty. Give me a call if you have work needing immediate attention. C. G. TESTERMAN.

Notice.  
Mr. S. E. West of Snowflake, is our authorized agent for that section of the county, and is authorized to receive and receipt for subscriptions to the Argus.

## ARIZONA NEWS.

### Territorial Items Gleaned From Our Exchanges and Condensed for Our Busy Patrons.

Phenix wants a smelter.  
Phenix is putting in an electric fire alarm.  
There are seventeen prisoners in the Tombstone jail.  
There are 488 members constituting the National Guard of Arizona.  
Globe will have a grand masquerade ball on Washington's birthday.  
Glendale is to have a cannery and a packing house in the near future.  
Jack Hennessey committed suicide at Williams, Tuesday afternoon by shooting.  
There is a movement on foot to build a railroad from the Salt River valley to Globe.

Extensive additions will doubtless be made to the Southern Pacific shops at Tucson.  
The Mineral Wealth of Kingman says the Elkhart mine is to have a 100-ton concentrator.  
The Association of Civil Engineers of Arizona held a meeting in Phenix the first of the week.  
There were 512.83 ounces of Arizona gold received at the Denver mint on the 13th instant.  
Beef cattle in the Salt River valley now range in price from three to three and three-quarters.

The city council of Flagstaff have resolved to build a substantial municipal building 26x60 feet.  
The Orb says that one of the pressing needs of Bisbee is a good opera house and lodge room.  
The Jerome News says on Sunday night last one of the jackets in the smelter exploded. No one was hurt.  
Twenty men are working dry placers in the new district in the Chimehuevas mountains, this territory.

E. Irvine, one of Phoenix' pioneer merchants, recently decamped for parts unknown to escape arrest for bigamy.  
B. Heyman has purchased an onyx mine on Cave creek, near Phenix, and is about to erect an onyx factory in that city.  
On Friday of last week W. H. McKittick shipped an even hundred head of cattle from Wilcox to Bakersfield, Cal.

J. B. Knowles, charged with embezzling \$714 from the A. O. U. W. lodge of Joplin, Mo., was arrested at Jerome last week.  
Tucson's building and loan associations are the pride of the city and are said to be as well managed and as profitable as any in the country.  
Herman Stohr and Clarence Malmby, two miners working in the Senate mine, near Congress, were killed by a premature explosion a few days since.  
E. H. Winters, dry goods dealer of Phenix assigned on the 21st instant to A. L. Henshaw. Liabilities, \$25,000; assets claimed to be largely in excess.

A big boulder, loosened by the storm, rolled down the mountain side at Jerome last week, crashing through the residence of Harry Walters.  
The Prescott Courier has figured out the birth record for Yavapai county for 1896 to be fifty-two, or an average of one each week during the year.

The Southern Pacific is building a steel bridge across the San Pedro at Benson and does not expect to be bothered any more by washouts at that point.  
Hon. H. L. Rogers of Graham county thinks that an X-ray battery would be about the proper thing for a granger to use when entering Phenix society.  
John Quinlin, an employee at the smelter, met with an accident Thursday which resulted in his left foot being crushed by a copper mould falling on it.—Jerome News.

Dr. C. H. Porter of Safford, was arrested last week on a charge of attempting to poison his wife, but was released owing to insufficient evidence, and has left the country.

The Tempe News says that up to this date there has been upwards of sixty car loads of fat cattle gone to California points since the first of the present month over the M. & P. road.

Phenix barbers are forming an organization with a view of getting legislation passed to prevent inexperienced men from experimenting on innocents at half price, says the Gazette.

Stock shipments over the S. F., P. & P. railroad for the year 1896 were: Cattle, 968 car loads; horses, 21 car loads; sheep and hogs, 98 car loads. Total, 1,087 car loads. Total cattle, 29,000 head.

A new thirty-ton cyanide plant was put in near Seymour the first part of this month, with which to work the tailings from the Vulture mine, of which there is said to be nearly 100,000 tons.

Of 1277 prisoners sent to the penitentiary at Yuma since its establishment 616 were foreign born and of the remainder 458 were Mexicans. The proportion of native born gringos is therefore small.

The total amount received at the county treasury of Pima county for the year 1896, was \$136,436.51. The total expenditures of the county for the year were \$119,171.59, leaving a balance of \$17,264.92.

Bob Mayfield, in the employ of the Greenlaw Lumber company, had the misfortune yesterday afternoon to have his leg terribly crushed and mangled in the "live rollers" of the Enterprise mill.—Flagstaff Sun-Democrat.

Mrs. Thomas Bryan of Phenix recently made an unsuccessful attempt to commit suicide. She swallowed a large quantity of poisonous liniment, but the timely arrival of her husband who secured a doctor and a stomach pump, saved the lady's life.

The purchasers of the Silver Trail mine, Hassayampa district, have ordered from the Gates Iron Works, San Francisco, a concentrating quartz mill of 60 tons per day capacity, which will be erected upon that mine as soon as possible.—Prescott Courier.

James McClellan, foreman of the Eureka mine, Cerbat, was badly hurt by the cave of several hundred pounds of Eureka ore on him Tuesday morning. Morgan Jones brought him to town to have his wounds looked after. It is not thought he is hurt internally.—Kingman Mineral Wealth.

The San Francisco mountains are clad in an elegant mantle of snow. Never before have they been noticed so completely covered as at present. They look like an immense bank of snow. Not a tree is visible nor can a black spot of any kind be seen anywhere as is almost always the case no matter how deep the snow.

At a recent session of the board of supervisors of Yuma county, the clerk of the board was directed to notify ex-Treasurer F. S. Ingalls to make good the deficiency of \$4,904.45 within sixty days, and, failing to do so, the district attorney was instructed and directed to immediately bring suit against his bondsmen for the recovery of the amount due.

Four tons of high grade copper ore from the Ellis and Baxter mines, was brought in on Soto's team. Between thirty and forty tons of this ore is sent to the smelter monthly. It is understood that the owners have refused a cash offer of \$60,000 for the property. It is situated in the foothills of the Sierritas about twenty-five miles south of this place.—Tucson Citizen.

A Mexican woodman of Clifton brought the body of his 10-year-old step-son into Morenci and reported that he had been drowned in the Frisco river. The boy had bruises on his head and other parts of the body, owing to the fact that he had recently been severely beaten. Some people think that the old man killed him and threw the body in the river to prevent being accused of it.

## TELEGRAPHIC NEWS.

Justice Lawrence, in the criminal branch of the supreme court of New York, has handed down an opinion denying the demurrer to the indictments found some months ago for conspiracy against the officers of the American Tobacco company.

Superintendent Knoll, at the Hudson-dreel Hospital, New York, has completed an X-ray photograph clearly outlining the brachial artery in the right arm of Thomas Saltman. This is said to be the first time such a feat has been accomplished.

A telegram from Chihuahua, Mexico, says: No more bull fights, prize fights or cock fights will be allowed to take place in this state, the legislature having issued a decree prohibiting these sports and providing a severe penalty for the violation of the law.

The German millers have offered a reward of \$250 for a method of destroying the meal moth, which has been ravaging the German mills, United States Consul General DeKay at Berlin offers to deliver to the proper authorities any method forwarded by Americans.

The revenue cutter Daniel Manning was launched from the yards at East Brooklyn on the 22nd instant. This is the largest revenue cutter ever built for the government, surpassing in speed and power any naval vessel of this and foreign countries, and in time of war is expected to prove most valuable to the navy.

Somers Cole of Port Elizabeth, N. J., while repairing the old Hays homestead, found a box of gold and paper money in the eaves of the house amounting to \$25,000. The money was ancient money and bank notes, and owing to its age is worth considerably more than its face value. The Hays homestead was built before the revolutionary war and the money was secreted there by John Hays, who was one of the pioneer settlers of New Jersey.

The correspondent of the New York Herald in Montevideo, Uruguay, telegraphs that the political situation presents great difficulties. The government admits that reports received indicate that a formidable revolutionary movement is to be made by the White party within a few days. The revolutionists will invade the republic on the Brazilian frontier, and it is feared that simultaneously insurrectionary action will take place in the central provinces.
